

x00241000 28 Yr old professional male, looking for cool roommate (Uptown Minneapolis)

Location **Minnesota**

I'm moving to Uptown Minneapolis this summer, either May or June.

I want to get a nice apartment but don't feel like dropping \$1,500+ for a 1BR.

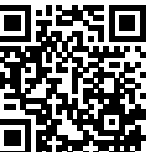

I'd rather have a cool roommate, and bring that number down to less than \$1k a month.

A little bit about me...

- I'm 28 years old
- Professional male
- I make good money
- I'm not a partier really, but not a prude either
- I'm into health, fitness
- I'm quiet and intelligent

Reply to this post via email if you're looking for a cool roomie starting this summer, and want to experience the awesomeness of Uptown Minneapolis.

I'm open to both men and.
