 Enjoy your vacation in the time-honored Wisconsin tradition--UP AT THE LAKE. This family owned cabin is located on Lake McKinley which is 8 miles northwest of Spooner and 2 hours north-east of Mpls./St.

Paul. The cabin has 1/4 miles of shoreline and 1.3 acres of heavily wooded land which affords you a quiet, privacy setting. Situated on a hill, the cabin overlooks a 30 ft. drop to the lake. Voted #1 by the Wisconsin Fishing Magazine, the farm firm has a lower level for snowmobile skiing and trails. Excellent ice fishing right in front of the cabin.

The Cabin ---
 Warm honey colored knotty pine paneling surrounds you as you enter the great room. The decor is rustic but don't let that fool you--all new carpeting, bathroom fixtures, and appliances (even washer and dryer for your convenience) all immaculate. The three bedrooms are all paneled in different versions of pine

and the main floor bathroom has a wall history of the cabin. Scoot down the spiral staircase to the family room in the walk-out basement with a Franklin wood stove for those chilly evenings. There's a large bathroom down here for the shower. A spacious deck on both levels gives you a wonderful view of the lake. Nearby is the small guest house with bunk beds which the kids love.

Things to Do---

Relax in the cabin over a good cup of coffee and see the seasons unfold. Hike the trail through the wooded 13 acres surrounding the cabin--you might surprise a deer. Hunt for a variety of animals on the land (duck, grouse, squirrel, rabbit, deer). Go to the Potter's Shed in Shell Lake and watch them fire Raku pottery or have them glaze your own pot. Visit a variety of antique shops in Spooner or visit the nearby tourist destination of Hayward.
