I have a room available in an open loft condo that I would like to rent until the end of summer (flexible) when my girlfriend moves in...Great location with two beds and two baths. The condo has 28 foot ceilings, workout room, rooftop sky deck, washer and drying in unit, wifi, and parking. Looking for around 1k with all utilities paid. I am a working professional and put in about 70-80 hours/week, so I am rarely around.

Fully Furnished!!
