Looking for either an already established gigging band in the vein of roots rock/country and/or bluegrass in need of a singer or a band interested in having a half hour opening act. If you're not already in a band and are interested and sing harmonies, play an instrument, please feel free to contact me as we can always start our own. Looking to gig at least 1 X a month. I play rhythm guitar as well (but don't have to, if you don't need me to) and have originals, but don't necessarily need to play these out. I have gigged on the South Shore and down the East Coast (5 years ago) Can send you recordings upon request. Thanks!
