

Rehoming two parakeets (N. Reading)

Location **Massachusetts**

Will be moving out of state, unable to bring them along. Cage/toys included. They can be held, they get nervous around new people so it will take about 2 weeks to get them used to you. Currently they are named Madison and Sushi but they do not recognize the names so feel free to rename them. I will give you any remaining food/ millet i have. The green parakeet is approx 1 years old, and the blue is a few months old. You will have to be patient with them since the blue one is still nervous with people walking around while you hold.
