I am in search of a puppy. I have 3 kids and a loving home I just want a puppy to complete my household. My kids are 8, 5 and 1 year old. I work 8 hours a day and would love to come home to my kids and my puppy everyday afterwork. I understand that pitbull grow quickly that's why I would like preferably a new born so that he/she can grow with us or a really young one so that the kids and I can see him/her grow. I would love for the puppy to be free since my kids are desperate for the puppy. if not i can pay a small rehoming fee. please respond to this email with a picture of the.
