  I am currentaly taking in any and all unwanted critters and reptiles if u can no longer care for them for whatever reason or simply just dont want them anymore I will offer them a home. I have years of experience with all animal care . I do not work outside my home so I have plenty of time for them. I own my own home and currently have 3 large rooms currently getting completely set up fot homeless critters each room will be set up for every and all needs for them. I can even possible meet somewhere to pick up any unwanted critters .will take in everything and anything except cats and dogs as there are lits of rescues for them already . Please contact anytime day or night . I am doing this because everything is a life and if I can help save them I will do whatever I can to do it. Thank
