Experienced drummer (ex: Woe of Tyrants) experienced guitarist (On the Wings of Treason) and experienced unclean vocalist (ex: satellite flight and On the Wings of Treason) We are currently looking for a bassist, guitarist and clean vocalist, we are all 21-23 looking to get out and take the world by the fucking balls. We are looking to play originals and maybe a cover or two, actually play shows and record and if willing take it to the next level and tour. The sound we are looking for varies we love Asking Alexandria, Atreyu, Motionless in White, Ice Nine Kills, Chelsea Grin, Amity Affliction, Death of an Era so we can run a bunch of ways. If your looking to play and get going email me!!
