

Womens Softball Team Looking For Talent (North BranchStacy)

Location

Minnesota

<https://www.genclassifieds.com/x-281035-z>

Hi There! Are you looking for something to do on Thursday nights during the summer and would like to have some fun out with the girls? Are you looking for a good work out? And most of all do you like softball? Then come join the RockStar's Women's softball team! We are looking for women who at least know the basics/logistics to softball and would like to commit to our team! If you're interested, please email, call or text me and I'll let you know how you can join! If I don't answer my phone, please leave a voicemail. It is free to play! We are a self sufficient yet sponsored team who hosts our own beer busts at our sponsor's bar and has end of the year parties after the season. Many of the girls on our team did not know each other before joining the team, but joining has made lifelong friendships come from it! It's a ton of!
