A REAL production company who specializes in adult video. We just landed contract with a national distributor (online, dvd, and ppv) and are now seeking new models.

No scams, no free auditions or "test shoot", no games.

We are currently seeking talented Females, male/female couples, and female/female couples to shoot right away. Cash paid on the spot.

Average price per scene ranges from \$400-2000 cash on cash on the spot, depending on the model and what is involved. A more detailed price list can be provided on request.

All looks and body types will be considered on a case by case basis.

How it works.

We set up a baseline shoot (This is PAID cash on the spot)

It takes about 5-7 days for our partner to review and establish a price for future videos. We pass that offer to you and you decide what you would like to do and how often. Average shoot pays \$400-2000 depending on the model and scene.

If you are interested please submit a few recent photos that give a good representation of your body. Include you name, age, and phone number. We will contact you short and let you know if it would be a good fit.
