

CARPENTER FOR SMALL ADDITION

Location **Minnesota**
<https://www.genclassifieds.com/x-281046-z>

Looking for carpenter labor to add 14' x 36' shell off existing family room. At this point just want to build shell and pay as I go vs getting a home equity loan. I will purchase all materials. This does not require finish carpentry skills. Please email me your hourly rate. Thank.
