WE ARE A LOCAL TRUSTED BUSINESS THAT HAS BEEN IN BUSINESS FOR OVER 30 YEARS.
WE SELL ANYTHING WOOD HEAT RELATED, NOT JUST FIREWOOD!

We have over 500 cords of seasoned hardwood firewood available. I will deliver you a dump trailer load that is actually over a cord of wood for \$250.00. Cash or credit cards accepted. I do not stack the wood, but will dump it where ever I can back the trailer. You can also pick up wood from us, 8' bed truck \$100.00 / 6' bed truck \$85.00. All of our firewood has been cut and split for over a year. It is seasoned and not green like others selling on here. We also sell outdoor wood boilers and install them as well.(financing available) We can handle any of your wood heating needs! We are a local business, what that means is that you will get what you pay for without the risk of being scammed by fly by night firewood dealers.

To schedule your wood delivery or pick up, or to talk to us about a wood boiler, please call us at and we will be glad to assist you.

Mention this ad on Craigslist when calling. We also offer multi load discounts!
