Like some of these ads that are trying to get photos of unsuspecting women. only send a reply (or question) with what you want to/are willing to do in a photo shoot. if you want a female to photograph you or male let us know ahead of time or if it doesn't matter. We want to make you as comfortable as possible.

Skype may be used for us to "meet face to face" before a shoot for security purposes!

tattoos / piercings / colored dyed hair are a plus but not required.
all body types are welcome

our purpose for this is to add to our growing profiles in this field of photography

if you have any ideas we would love to hear them!

If you want a "purchase" and have your eyes on boudoir for your husband/wife girlfriend/boyfriend boudoir/or strip tease project please contact for a quote.

We have a private studio, we can travel to you and we can meet at a hotel(option) for a outdoor shoot.
