The Ruff Spot Pet Grooming & Market is seeking a pet groomer. We are growing very quickly and the need to expand is necessary. Looking for a professional groomer with experience and/or schooling. Our industry is a great one to be in--but it is HARD work. Our shop provides a paid bather, to help in the process. Our shop is fairly new, having opened on July 1st of 2014 but our growth has been tremendous, and I, as the owner/only groomer, cannot handle the load by myself anymore.

This position is being offered in Key Largo, FL, mm 99.3 (the upper FL Keys):

Looking for an honest, professional, animal loving and knowledgeable groomer that really loves this line of work. I do not believe in the mistreatment of animals to accomplish the groom. If it can't be done with patience and kindness, then we just cannot do it... No animal will ever be mistreated in our facility. If you think you fit the profile and are interested in more details, please contact me at:
