## **OCC Schwinn Stingray (275 USD)**

Location **lowa** https://www.genclassifieds.com/x-281149-z

I'm selling a really cool Red and Chrome OCC Schwinn Stingray. I have put a new front tire and back tire, new rise handle bars with flame custom grips, and a OCC fork tool bag.

for 350.00 I will include another complete rear wheel tire included, a used front tire, handle bars, and misc parts. I was going to make into a trike but I have other projects that I need to move forward with.
