Looking for the right live-in caregiver/helper for our family!

We are a fast paced, easy going family of 4 with no pets. We have 2 daughters (2 years old & 5 months). Our 2 yo attends Montessori school & goes to ballet. Our 5 month old will begin going to Gymboree next month. I drive them to their activities.

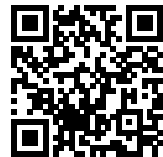

We are looking for a patient, loving lady who is responsible, coachable & energetic!! Must be non smoker & Spanish speaking is preferred

Main responsibilities include:

- assistance getting them ready in the a.m.
- cook sometimes (rotating) &/or light help around the house
- actively engage in playtime with children
- cleanup after girls
- keep play area & their room organized
- help with bedtime routine
- watch girls when we are at business meetings (usually just the 2 yo as the baby is still nursing & usually comes with us)

The schedule is flexible. I am home during the day and help my husband with our business in the evenings. We can coordinate times needed in a weekly basis (generally about 25 hours per week plus a few hours in the mornings) LIVE IN is very important as there are days we travel to neighboring states & come home late in the evening & need someone to be here with them.

Thank you and if you are interested in interviewing please contact me via phone or email!
