

Found Disney Themed iPhone (14th amp Rhode Island NW)

Location **Washington**
<https://www.genclassifieds.com/x-281196-z>

I found a Disney themed iPhone while walking down 14th St NW, near Rhode Island Ave, tonight shortly before 10 pm. (Between the 7-11 and Thai Tanic.)

If you think this is yours, describe it to me (what I mean by Disney themed, the lock screen, etc.) and we can find a time to link.
