I am a professional photographer who wants to break into newborn baby/children (kids who are under10) photography market. Now I am trying to build my portfolio of newborn baby/children photography. I can take pictures of your newborn baby or your children for free as long as they have decent look. The whole session would last up to one hour. You choose the location. It could be at your place or any places you feel comfortable with. Contact me if you are interested and then I will send you my info and my.
