Hi my name is Melanie and I have been practicing the art of massage for over five years. I have been trained in both swedish and deep tissue. I'm really strong for my size and can do excellent deep tissue. I've worked on several professional athletes. Please call 317-225-1807 between 11a - 8p. Please do not text or email. I do take same day and weekend appointments, but it helps to have an hour notice.
