Often, claimants in Personal Injury, Sexual Harassment, Corporate Accounting Malpractice and other law cases can no longer meet their monthly rent, automobile, or other financial obligations due to the lengthy times necessary to be granted suitable awards. In the past, such claimants have frequently needed to accept lesser settlement amounts due to pressing financial difficulties. Now, our clients can sustain their personal lives and give their legal counsel the necessary time to achieve the full value of the case with the help of a Pre-Lawsuit Settlement advance.
