LICENSED, IN-HOME CHILDCARE HAS OPENINGS! As an Early Childhood Educator, I am committed to providing each individual child with a challenging, rewarding and supportive environment, as they develop and enhance their cognitive, language, creative, social/emotional and physical domains. I have a four year Early Childhood Education Degree and provide a structured program for the children in my care. I have been working with children for over 20 years and feel fortunate to be able to provide the children with a loving, supportive and educational environment. We live next to a neighborhood park and walking trails. We live at the end of a cul-de-sac, and our lower level of our walkout rambler is designed for childcare. Visit tristinschildcare.weebly.com for more information. Please email me if you are interested in taking a look at my program!
