Aloha,

I'm available ASAP!

I just moved back to Oahu from the Mainland. I'm reliable, smart, and an excellent laborer.

Do you have a job that needs to be done? Please email me with your ph number and the job details. I'm a hard worker who will finish the job for you. I'm available at a moments notice. I need to make some cash right away. I'm friendly and very respectful. I do not own a vehicle, but I can catch a bus if it's in town, or you can pick me up if it's not in town.

Only looking for a job that can pay out.
