Concierge Bridal Alterations? YES. I come to you, fit your in your gown, take the gown and alter it, and bring it back to you for a fitting. If adjustments need to be made, we duplicate the same procedure.

I'm a seamstress with 20 years of experience available to perform the following services for weddings, cotillions, balls and other events:

COMPARE MY PRICES TO DAVID'S BRIDAL, I GUARANTEE A CHEAPER PRICE AND EQUIVALENT SERVICE.

Take in (\$15-60)--Dress too big? I can make it smaller  
 Let out (\$45+ fabric cost)--Dress too small? I can make a dress bigger  
 Hem (sheath \$35/ A-Line \$55/ Ball Gown \$75)--Dress too long or too short? I can fix that TOO

Dress duplicates---Sometimes stores don't offer the right size for a friend that you want to be in your wedding. She doesn't have to feel bad. Let me make her a dress that looks just like the others you ordered.

Bridal Designs--Have a dress in mind but can't get everything you want in one dress? Bought a dress and decided you want to change something? I can handle it

I also make bridesmaid, jr bridesmaid, and flower girl dresses as well as vests, cummerbunds and bow ties for ring bearers of groomsman.

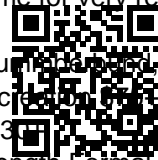

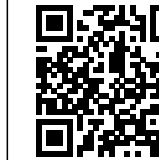

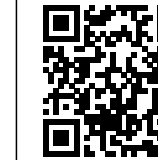

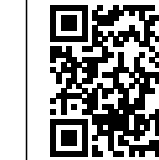

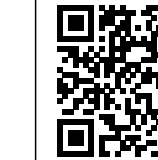

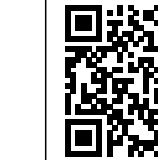

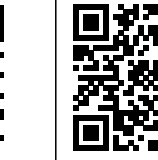

I can create table cloths, table runner, chair sashes, aisle runners, flower baskets, centerpiece arrangements, bridal bouquets and boutonieres.

Email me for very reasonable rates including the following:

Best/cummerbund, tie and vest \$150  
 Dress cuffs \$30  
 Veils \$30  
 Floor length Formal Capes \$149+

Alterations are available as well starting at \$50 and vary based on the job
