Published photog/video will be in town and looking for talent. From non-nude to wild fetish, new talent is needed. Pay will obviously depend on what type of shoots you are interested in. Min is @ \$200 for a few hours dressed. Max would be @ \$2,000 for the day for nude fetish shoots.

Please reply with a statement saying that you are over the age of 18, and what types of shoots, or how much \$\$\$ you'd like to.
