This ad will be re-posted numerous times, as some may notice because some idiots seem to think that I won't just put it right back up. It continues to get flagged by morons that don't understand it and assume I have some hidden agenda, guys that are mad because I don't want to cuddle guys, or fat people angry that they're excluded because they're fat. Whatever the reason...

Read the entire ad before responding, and keep in mind that I say what I mean. There's no "hidden meaning" here.

I'm looking for a female companion/cuddle buddy. In return, you get to stay here rent-free. Essentially, I'm looking for someone that enjoys having someone to do things with... coffee, fishing, biking, painting, or whatever else it happens to be. Someone that also would enjoy having someone to cuddle up to movies with, or hold at night. And most importantly, someone that can motivate me to DO more and BE more, without the "nagger" sensation. Lol. Additionally.... the more "prosperous" you can convince me to be, the better it'll be for you as well. I enjoy taking friends out when my circumstances are better, etc. I can also give you a way to make some money working from home if you were interested.

And for the people that don't understand, "companion/cuddle buddy" does NOT mean sex.

Prefer that you like coffee/fishing/gaming too, but it's not a requirement.

If you're in at least relatively good shape, and need a place, this would be a good one. It's not the prettiest, but I'm a good guy, and there's no drama or stress here.

As for myself, I'm 29, 155lbs, white, reasonably good looking, intelligent, amusing, well endowed (if that matters), and a student.

I don't drink, but don't mind if you do socially. I am a smoker. I do NOT do drugs and would prefer they were kept out of here.

Also... since I've basically been towards getting a full sized apartment or house, I have my price tag on my price tag, which is likely to be a good one, but I can manage to find someone for the sake of money, that's all I can say.

If you're interested, respond with a picture and your number, and I'll get back to.
