Their are 4 members to our family, my self, husband, 2 yr old son and 7 yr old daughter. We need a house to rent due to my sons asthma. We live in a mobile home and have been leaving here for 3 years never missed a tent payment and never had problems with our landlord. It has been building mold and humidity which is bad for our son. Credit is not the greatest due to large medical bills. Please contact me with any info that would help us out. Please call or text
