## WHAT YOU NEED TO KNOW:

We are a professional and discrete female owned boutique companion/escort service looking for elite females between the ages of 19-35 to join our exclusive team.

We are looking for truly special girls with the charisma, wit, and charm to approach and make their exclusive beauty. Certain qualities and requirements are required. HOWEVER, we are willing to consider those who are self-motivated, eager to be a part of our business and comfortable being out and conversing and interacting on a large scale.

We prefer girls with no visible or excessive tattoos or piercings, no unusual hair color or style, and an ability to dress appropriately for various environments as our clients are interested in not only private rendezvous but in some cases you will be accompanying them to public and professional engagements.

Hiring Preference is given to all around attractive fit ladies, students, college graduates and/or models pursuing a career.

We also welcome experienced companions with stellar reviews and an ability to adapt to high standards.

---

Our service is run by professionals for professionals, and was founded under the concept of a radically different approach with respect to screening and management of our entire team - our core principles are Respect, Reliability, Integrity, and Empowerment. We offer outstanding compensation and the utmost in safety, privacy, discretion, respect, dignity, mentorship, empowerment and an overall professional work environment. We work with each lady to accommodate her unique needs and schedule. We offer amazing opportunities for financial growth and success but we will never compromise your safety or your future ambition or endeavors.

Each potential client is rigorously, aggressively, and professionally screened. We do NOT engage in late night requests or other potentially dangerous situations.

Our marketing approach utilizes upscale websites in order to position you in the industry as an Elite Companion. A professional photo shoot will be arranged with one of the premier studios in New.
