Healthy, Sun Conure. 2-3 years old and recently Vet checked. Nails, beak and wings have been trimmed. Comes with cage, toys, and the food we have for him. There is a firm \$400 re-homing fee . This little one is fully feathered and friendly. He gets socialized as often as I can get him out.

Also have a new travel carrier, as seen in last two pictures, in perfect condition. Willing to let it go with bird for an additional \$40 or \$75 by itself (was \$100.)
