The Portland Phoenix said we "play live music the way it's supposed to be played..."

And that can be at a festival, club, hall, OR YOUR PLACE!

We're a 5 piece peppy lil' acoustic act ...we do full evenings of 70s/80s/90s/Nought/ covers with a smattering of originals through the prism of our instrumentation of violin, mandolin, standup bass, guitar and percussion...and leave people pretty dang happy...

We also try to do as many pre-requested songs you can muster...

Take a look at our site, and know that 1) we've done this many times, and 2) we're very reasonably priced...
