I would love to find a babysitting job on the weekends
Friday-Sunday
I charge $25 an hour or $375 for the entire weekend. Up to 3 kids.(your house or mine)
I bring tons of arts and crafts, bring the children on fun outings, playground, museums, beaches, libraries, amusement parks, basically you name it ! & I'll take them there !! I'm super down to earth & I adore children !:) I cook, clean, run errands, take your children to sports practices/games, doctors appointment,. Take care of your pets, I cook(the best I can) & clean. I'm super reliable & I would love to find a family in the lewiston/auburn or surrounding areas. I can start as soon as you need me ! I can provide you with several references ! Would love to be your families babysitter ! I look forward to hearing from!
