Up for sale is my all wheel drive 2006 BMW 325xi. It's a 6 speed manual, clutch is nice and spongy and all gears work properly and smoothly. AWD is great in the snow. The audio system sounds very good and has AUX input capability. It has a nice brown leather interior that is in 8/10 condition. The paint is also 8/10 condition (the rear bumper could use new paint), with minor blemishes as you would expect from a 9 year old car. The odometer reads 144xxx miles, which isn't too much if you know about BMWs.

There is slight hail damage on the roof and on top of the hood. It's pretty minor compared to what I've seen in the past.

Overall is a SOLID car. I'm now asking \$7650 instead of 7900 and I am slightly negotiable. Just testing waters, lowball offers will be ignored.

TEXT me with offers/questions at the number I put above. Please don't call, I won't answer.

Will trade for 04+ wrx, 06+ civic si, 05-06 rsx type s, possibly an e36 or e46 m3, manual is300, chevy 2500 possibly.. Maybe something else, don't be afraid to offer.
