

# Male shih tzu

Location **Indiana**  
<https://www.genclassifieds.com/x-281766-z>

Hello I have a 12 week old male shih tzu. Great with kids, cats and other dogs. He is up to date on shots and wormer. We are working on crate training and potty training. And doing very well. Rehoming due to personal health issues. Please email for more.
