This is a male blue razor pit bull. He is 7 months old and has had his first round of shots. He has not been neutered. Great with children as we have a 4 year old. He comes with a kennel which he is trained to be in at night and while away from home. We are just not home enough and it's not fair to him to be in the cage all the time. He needs lots of love and a family who wants a good family/guard Dog. He is potty trained to use restroom outside. He has never chewed except his raw hide bones. His name is Capone. This breed is the Michael Jordan of blue pits. There is a \$100 dollar rehoming fee he comes with a collar, two leashes, and a metal dog bowl as well as the kennel. serious inquiries only and we will be selective as we do not want someone who wants to fight this dog. we want a family who will love him like we do but that actually has time for him we are sad about having to do this but it's only fair for him :-) thank you and have a blessed day! 317-993-7340 Cathy and
