

Husband had to get rid of RIP (Indianapolis)

Location **Indiana**  
<https://www.genclassifieds.com/x-281771-z>

My husband a few years ago had to get rid of his pitbull/boxer mix. I'm trying to surprise my husband with either getting Rip back or getting a chance for my husband to see him again. He talks bout rip all the time and it would be great to find him. I know very little but thought is give it a shot. Please text me at

Rip is!
