I have a pitbull full blooded dog not quite a year old who needs a good home! Now please do not stereotype me to be the bad guy cause I never wanted to be this person I love my dog more than anything!!! But I have to rehome him because I'm pregnant and due to 2 previous miscarriages I am being out in bed rest so I can't care for him the way needed. He's amazing, crate trained and house trained and will sleep all night with you. He knows tricks and is so smart he learns so quick (especially with marshmallows) whoever wants him will be background checked and I will need a VET REFERENCE. There is a rehoming fee but it's small nothing major. His name is Nunky lol he's a great dog not aggressive loves my 4 year old to death! And can be protective of need be.

Now. Here's some special info!

HE IS SHY VERY SHY SO WHOEVER OWNS HIM MUST TAKE TIME TO WARM HIM UP ANF NOT GET DISCOURAGED WHEN HE ISNT A HAPPY GO LUCKY DOG RIGHT AWAY. I assure you he's amazing! Please help my puppy dog get a great home :) :) 336 two six nine 5933 text
