I have two females one is brown and white she is the biggest and energetic. The Black and White is the smallest and she has the long hair the brown and white one is short haired. They are 5 1/2 weeks old they have teeth now and are eating on there on. They have been wormed since they were a week old and I will have the shot info when purchased I'm asking a 125\$ rehoming fee. If interested please contact me. The pups must go to a good home
 Thanks
