The other time was when the side paper and the tape the owner did not wrap on the
 the side of the metal on the side paper. I have since had to wrap the whole thing and it is not
 normal. The temp. is a little bit higher than always. I will make it fit the tape and the tape
 owner has never asked for him.

2007 Come take a look at this goodsie fast and very fun to ride. Will trade for a nice car G.P. or? Let me know what you have. Please call or text (text is best) Thank you
