I am seeking one girl to see one time a week for DATE NIGHT and NAUGHTY PLAYTIME. This would be like a 6 hour gig one time a week usually on Sunday or Monday evening depending on what we do. YES you will be paid each night we see each other and play. I am not looking for anything serious nor am I looking for drama or bullshit. Just fun!!

The girl I seek would be WHITE ,young (18 to 28 only), slender/petite, local, WITHOUT LOTS OF TATTOOS with the girl next door look.

If you might be interested in something like this or to know more please email me back with 2 pics of face and body and tell me about you and what you would need to do this. Please put in the subject line of your email(DATE NIGHT GIRL) so I know you aren't spam. Emails without pics or one line responses won't be answered. If I like your pics and what you have to say I will email you back with my pics and tell you more. I am a 45 year old white single professional
