

experienced Wedding Cinematographer amp on (321 USD)

Location **New York**
<https://www.genclassifieds.com/x-282128-z>

We are a New York based cinematography and photography company seeking a second shooter (possibly two) & "Same Day" editor on 3/21 and possible for future projects.

Hours: approximately 12 noon until 12 am - some positions will be less hours.

MUST: have extensive wedding experience with DSLR cameras, 5d mark iii are preferred.

MUST: be able to use professional audio equipment (Zoom, H1, H2 & H4N & Tascam recorders, Wireless Microphones) for capturing professional sounding audio.

MUST: be able to shoot in run & gun situations, meaning: you must be able to keep a steady in focus shot using a Tripod or Monopod

MUST: be able to shoot in manual mode and able to change camera settings on the fly

MUST: know your white balance and how to adjust to different shooting situations.

SAME DAY EDITOR:

MUST: be able to edit FAST and on-the-fly

MUST: Be able to edit Premiere Pro (mac)

MUST: have prior experience with on-site editing and wedding editing

We currently own the equipment necessary to shoot a full wedding day. We also have the necessary equipment editing on site.

our equipment
