

Looking for licensed HVAC person (Mountain Home)

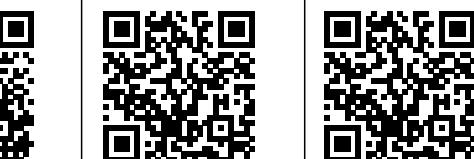

Location

Idaho<https://www.genclassifieds.com/x-282177-z>

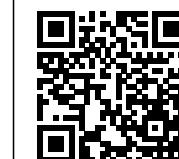

I'm looking for a licensed HVAC person to install 3 new furnace systems in 3 manufactured homes. 2 are gas and 1 electric. With more future work as they become ready. We will provide all material. I need straight up labor bids to do the installations of new furnace and ducting. MUST be licensed and able to pull appropriate permits for inspections. Work is all in Mountain Home. Call David at 220-8589 if.
