We know how important your vehicle is to you, and your hesitation to take it to most auto body and paint shops. We have been serving Great falls since 1985, with many over joyed customer's. We guarantee all repairs, and only use top quality paints, and clear coats. You will be amazed at our repair prices, and you will have peace of mind it was repaired correctly. There will only be one person working on your vehicle, the body shop owner. I do all repairs from start to finish. I promise top quality repairs for a fraction of down town body shop prices. Shop is fully insured and state licensed to protect your investment. Fast turn around. We work on every brand car from Chevy to Porsche, to Mercedes. Call for estimate, and in many cases we can come to you. We work with all insurance companies, and have for many years with great success. We will assist with saving you your deductible.
