

SKYJACK SCISSOR LIFT SJ 7027 NICE 962 Hrs. (11995 USD)

Location **Nebraska**
<https://www.genclassifieds.com/x-282202-z>

I have for sale a 1997 Skyjack scissor lift SJ7027. 962 hrs. on this machine. (\$11,995) This is a NICE machine. All-terrain machine two wheel drive. All electrical and mechanical work done on the machine was done by a certified scissor lift mechanic. It has a on board generator. The generator has been taken apart cleaned up and had new bearings installed. When I got the machine it had some electrical problems due to corrosion and setting around outside. The electrical components have been replaced. The machine has a new starter ring gear and new huge Interstate battery. A Glass company had this machine and it has not had a lot of hard use. I put new decals on the machine and repainted the areas where they needed to go. 95 percent of the machine has the original paint. It is VERY NICE tight machine and ready to go to work. DO NOT MISS this one at this PRICE. \$11,995 CHEAP
