I'm looking for my dog Copper. If anyone found him please contact me at

he was last with me in the Starbucks parking lot at Dougherty ferry and big bend. He is a Shepard retriever pit mix. He is 1 year 5 months old. He has long soft hair, orange gold in color. He is extremely friendly to everybody so I'm hoping ran to the first person or dog he saw. He is not wearing a collar. If you have found him or may have spotted him please contact me. \$50 CASH REWARD for returning him.
