*** IF I COULD WORK I WOULD ***

I HAVE BEEN PRAYING SOMEONE WILL HELP US!!!! IT IS JUST

A LITTLE HELP THAT WE NEED. I was involved in a "HIT N RUN" car

accident ... I didn't want my insurance to go up so I paid \$574.00 (which was rent)to get it fixed.

MY SON & I ARE SHORT \$354.00 FOR RENT (We have paid the other half)

I have 1 sister unable to help and my ex (will not help) IS NO help, PLEASE, PLEASE

help us... I have always helped others (always) and find it extremely hard to ask in this one

time of need. For my son PLEASE consider helping us? I am embarrassed to ask, he doesn't

know, my EX will not help.

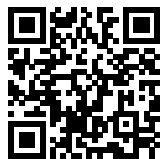

All can be verified & your HELP will go straight to landlord....

God Bless You, Cheryl and Zac
