I'm looking for a skilled upright bassist to keep as a contact. I do acoustic gigs every now and then and would love to have a bassist to hold things down to free myself up for more soloing. I try and cover a lot of pop classics but keep a nice laid back spin on them (think Passenger, Ben Howard, John Mayer style). Easy music, I will provide chords and you can just walk a line. No practicing should be necessary. Just need a reliable hired gun with great intonation on an upright. Pay is decent for maybe two hours of playing. Contact me via email. Here's a couple sample songs:

- Wonderwall - Oasis
- Hey Ya - Outkast
- Black Magic Woman - Santana/Fleetwood Mac
- Let Her Go - Passenger
- All Along the Watchtower - Jimi Hendrix/Bob
