I'm in need of a reliable roommate. I will not tolerate any alcoholics or hard drug users. I currently have dogs at the moment, 3 beautiful female wiener dogs of my own and they love to be pet. I'm very laid back, very kind and caring so i would love to have the same in return. I'm not asking for you to be spotless just to please pick up after yourself. MUST be employed. I don't mind if you are retired, just as long as you can pay your bills. I'm 40 yrs old and i live on lake mead and jones and the bus system is everywhere around me. 95 interstate is like a mile away. If you google map the intersection of lake mead and jones, you can see everything that is near me. Plenty of shopping nearby and grocery store is in walking distance. If this seems like a good fit for you, PLEASE email me. \$520 a month, includes utilities. I would like a \$150 deposit but we can discuss that. I have wi-fi and the room is cable ready. I have a tv and bed in the room for rent if needed. You also have your own private bathroom. outside smoker ok. House is all hard wood floors. If interested, please get back to me. Thank.
