Computer Technician Needed for POS Register Upgrade

Location **New Hampshire**

https://www.genclassifieds.com/x-282324-z

Please visit our website at www.go2itgroup.com to learn more about our organization. We are a partner of IBM, Dell and HP. We staff sub contractors to perform various deployment contracts across the United States. We staff assignments for many different customers, including banks, hotels, retail stores and much more.

This is contract work - you would be working for yourself as an independent contractor.

A high level of professionalism is required. Our techs are required to be on time, follow instructions, answer emails/phone calls, and be fully committed to each assignment.

West Lebanon, NH
Client name provided upon inquiry
3/3/2015
5:45 AM
Estimated duration of 8 hours.

You would be a doing a POS register upgrade. Instructions will be provided.

If you are interested, please reply with your resume. You would be required to complete onboarding with our company in a timely manner - that means returning the required paperwork quickly.

Future opportunities would be available.
