I am looking for someone who wants to make a little more than the other jobs in this domestic gig section by doing a friendly, non-sexual massage.

I am a 45/M live in Manchester, have an unpredictable schedule and would like to find a female interested in making some additional funds on a one time or repeat basis.

I can come to you or you can come to me.

Let me know your availability and suggested hourly rate you would like for one hours.
