Vertical Dream Entertainment Group, LLC seeks 6 female musicians between the ages 18-25 for a new project, an all female band. We have a bassist/singer/songwriter. We are seeking 2 lead guitarists (1 Caucasian, 1 Hispanic), 1 rhythm guitarist (African American), 1 keyboardist/pianist and 1 drummer. The 3 guitarists, bassist and pianist must be able to write songs and sing. The drummer doesn't have to do either, but if they can that's a plus. This for now unnamed band will be used both for live performances and recording. Applicants must have a sample of their work and a picture. **MUST BE FEMALE.** Our companies (Vertical Dream Records and Vertical Dream Artist Management) will handle everything from practice/recording sessions to photo sessions and booking shows. We also have our own video production team, publishing company, etc. Serious replies only. Musicians must be influenced by at least one of the following musicians:
