Opening a new barbershop, planning to by this summer.

Looking for barbers who want to coop with me. Must have license.
 Lease to own. Lease chair for 6months with option to become a co-owner.

Instead of just renting a chair, have ownership in your own business.

Looking to start, build a brand. A model for future stores/franchises.

I am a Barber, also in Operations, Marketing, Business development.

If this sounds good to you, feel free to contact me. Thank.
